

GEETA UNIVERSITY

Panipat, Delhi NCR, INDIA —
POWERING EDUCATION, EMPOWERING MINDS.

School of Sciences
Department of Forensic Science

FORENSIC SCIENCE

B.Sc. (Hons)

M.Sc.

Ph.D.

Message by

Dr. Salunkhe

“I am truly impressed by the practical exposure and advanced learning environment at Geeta University's Department of Forensic Science. The department is doing exceptional work in preparing future forensic experts.”

BUILDING FUTURE FORENSIC EXPERTS

Geeta University's Department of Forensic Science is committed to delivering industry-oriented education that combines scientific knowledge, modern investigative techniques, practical exposure, and research excellence. The department prepares students to address real-world challenges in criminal investigation, forensic analysis, cybercrime, and evidence examination through advanced learning methodologies and experiential training.

Students are trained through laboratory-based learning, crime scene simulations, workshops, expert interactions, and research-driven academic practices designed to meet global forensic standards.

MESSAGE FROM THE DEAN

Dr. Jaskaran Singh
Dean - School of Sciences

“ At Geeta University, we believe forensic science education must go beyond textbooks and classrooms. Our focus is on creating highly skilled professionals equipped with analytical thinking, scientific temperament, ethical values, and practical expertise required in modern forensic investigations. Through advanced laboratories, industry exposure, and research-oriented learning, we aim to prepare students for successful careers in the ever-evolving world of forensic science. ”

INDUSTRY TIE-UPS

GU has industrial tie-ups with CFSLs and SFSLs, where students gain first-hand knowledge and experience in handling different types of crime scene evidence.

UNIQUE FEATURES

- International Collaborations with 6+ countries
- Well Equipped Labs - State-of-the-art Infrastructure
- Internationally Acclaimed Curriculum
- MOU's with International Health Organizations
- Skill Enhancement Courses
- Internships Offered: Central Forensic Science
- Laboratory (CBI) and Other Govt. Labs & Private Firms
- Research Oriented & Internationally acclaimed Faculty Members
- Practical Exposure for Medico-legal Examinations & Firing Mechanism
- Special Emphasis on competitive Examinations

PROGRAMMES OFFERED

B.Sc. (Hons.) Forensic Science

Duration: 3/4 Years

Eligibility: 10+2 with
Science stream

M.Sc. Forensic Science

Duration: 2 Years

Eligibility: Bachelor's
degree in relevant
discipline

Ph.D. in Forensic Science

Eligibility: Master's degree
in relevant discipline as
per university norms

PRACTICAL EXPOSURE & PROFESSIONAL ENGAGEMENTS

At Geeta University, students gain extensive practical exposure through workshops, expert sessions, academic events, crime scene simulations, and industry interactions that bridge the gap between theoretical learning and real-world forensic investigation.

FORENSIXPLORE 2026

A remarkable gathering of forensic experts, investigators, researchers, and students exploring innovations in forensic science, evidence analysis, and criminal investigation methodologies.

FORENSIC ANIMATION WORKSHOP

An engaging technical workshop focused on forensic animation, digital reconstruction, and modern technologies used in crime scene investigation and evidence visualization.

GLOBAL LEARNING EXPERIENCE

Students gained international academic exposure through interactive sessions and educational engagement with delegates and students from Murdoch University, Australia.

2ND ANNUAL POLICE SUMMIT

A knowledge-sharing platform where police officers, forensic professionals, academicians, and students discussed scientific policing, cybercrime, investigation techniques, and emerging security

INTERNATIONAL EXPERT LECTURE

Distinguished forensic experts shared insights into modern forensic practices, courtroom evidence handling, scientific investigation methods, and emerging trends in forensic science.

LEARNING BEYOND CLASSROOMS

The Department of Forensic Science emphasizes experiential learning through practical training, advanced laboratory exposure, research activities, and skill-oriented academic engagement.

HIGH-TECH LABS

Modern forensic laboratories equipped with advanced instruments for scientific analysis and evidence examination.

CRIME SCENE INVESTIGATION TRAINING

Hands-on exposure to crime scene documentation, evidence collection, and forensic investigation methodologies.

RESEARCH & INNOVATION

Students are encouraged to participate in research projects, analytical studies, and scientific innovation activities.

INDUSTRY INTERACTION

Regular interaction with forensic experts, law enforcement officers, investigators, and industry professionals.

SKILL DEVELOPMENT PROGRAMMES

Specialized workshops, technical training sessions, and certification programmes to enhance professional competencies.

EXPERIENTIAL LEARNING ENVIRONMENT

Case-based learning methodologies that help students understand practical challenges in forensic science and criminal investigation through various workshops.

VOICES OF EXCELLENCE

The Department of Forensic Science at Geeta University has created a dynamic academic environment that inspires students, researchers, and industry experts through quality education, practical learning, and professional excellence.

STUDENT PERSPECTIVES

“The programme provided me with strong practical exposure, advanced technical knowledge, and valuable industry insights. The supportive faculty and research-oriented learning environment helped me strengthen my professional capabilities.”

Sumera Din

M.Sc. Forensic Science, 2nd Semester

“Geeta University provided me with the right academic platform, laboratory exposure, and practical learning opportunities required to build a successful career in forensic science.”

Himanshu Sharma

BSc (H) Forensic Science, 4th Semester

DISTINGUISHED EXPERTS & ACADEMIC ASSOCIATIONS

“Scientific investigation and forensic advancements are transforming modern policing. Students must develop analytical thinking, ethical values, and investigative expertise to contribute effectively to society.”

Dr. M. Ravi Kiran (IPS)

Additional Director General of Police (ADGP), Haryana

“Forensic science education must continuously evolve through research, international collaboration, and practical exposure to meet global investigative standards.”

Dr. Paola A. Magni

Professor, Murdoch University

“Forensic professionals play a critical role in strengthening justice systems through scientific accuracy, research excellence, and ethical investigative practices.”

Dr. Madhulika Sharma

Former Director, Forensic Science Laboratory, GNCT Delhi

CAREER DOMAINS

Forensic Science offers diverse career opportunities in government agencies, investigative organizations, research institutions, law enforcement departments, and private forensic laboratories.

Career Domains

- ✔ Investigative officers
- ✔ Legal counselors
- ✔ Forensic Expert
- ✔ Forensic Scientist
- ✔ Crime Scene Investigator
- ✔ Teacher / Professor
- ✔ Crime Reporter
- ✔ Law Consultant
- ✔ Handwriting Expert
